Please do not place an order if you do not agree to these Terms or our Privacy Policy.

Please read these Terms in detail before placing an order as they may be modified from time to time.

You may contact us by visiting the Website or via the contact form on the Website if you have any questions about these Terms or our Privacy Policy.

2. Sale of ZARA and ZARA HOME goods

Sale of ZARA goods and sale of ZARA HOME goods through this website are both carried out by ZARA ASIA LIMITED. If you purchase a mixed order (i.e. order containing both ZARA and ZARA HOME goods) on this website, the order will be processed under one single authorisation, but you will be issued two invoices, each from ZARA and ZARA HOME respectively, together with one order or e-ticket.

3. Use of the Website

Unless otherwise expressly consented by the Vendor in writing beforehand, these Terms shall be the only terms governing your use of the Website and shall supersede all other terms. These Terms are of great significance to both parties as they create a legally binding agreement between us that protects your rights as a valued customer and our rights as a business. You agree that you will be deemed to have read the Terms and accepted in whole the content thereof once you have placed an order.

You agree that:

1. You can only use the Website to make legitimate enquiries and place legitimate orders.
2. You will not place any speculative, false, or fraudulent orders. We will be entitled to cancel any order and report to the relevant authorities if we have reasonable grounds to believe that the order bears the above characteristics.

4. We will be unable to complete your order if you fail to provide us with all necessary information.

You hereby confirm that we have provided you with and drawn your attention to information about the goods or services contained in your order (including but not limited to quantity and quality, price or cost, delivery time and method, safety precaution and risk warnings, after-sales service, and civil liability), and you have read and totally understand the foregoing information before placing orders on the Website.

4. Availability of Services

Any contract signed between you and us in respect of any goods shall only come into effect after your order has been accepted by us. If we did not accept your order but the payment has already been deducted from your account, the payment will be fully refunded.

To place an order successfully, you will be required to follow the online shopping procedures and click “Authorise Payment” to submit the order. After submitting the order, you will receive an email from us acknowledging that we have received your order (the Order Confirmation). Kindly note that your order only constitutes your offer to us to buy one or more items of goods from us, and the Order Confirmation does not represent our acceptance of your order although the payment may have been deducted from your account. All orders are subject to acceptance by us. We will confirm such acceptance to you by sending you an email confirming that the goods have been delivered (the Delivery Confirmation). The contract between both parties for the purchase of goods (the Contract) will take effect officially after we have sent you the Delivery Confirmation.

The scope of the Contract will only involve goods that have been delivered as confirmed in the Delivery Confirmation. We will not be bound to provide any other goods which may be part of your order unless the delivery of such products has been otherwise confirmed in a separate Delivery Confirmation.

6. Availability of Goods

Before a Delivery Confirmation is sent to you, all orders for goods are subject to the stock availability. In the event of supply difficulties or unavailability of stock, we reserve the right to provide you with information about substitute goods of an equal or higher quality to the

goods you have ordered. If you do not wish to order such substitute goods, we will refund any previous payments made by you.

7. Rejection of Orders

We reserve the right to withdraw any goods from the Website and/or remove or edit any materials or content on the Website at any time. You will be liable in the following cases:

- a) when, where applicable, your equipment or terminals associated with the App, SIM cards, email addresses and/or any passwords are used by a third party authorised by you without our knowledge;
- b) when errors or malfunction occur when you are using the App's different features as a result of defective hardware, software, devices or terminals or of a lack of the necessary security measures installed on the device on which you are using the App.

4. INTELLECTUAL PROPERTY, INDUSTRIAL PROPERTY AND OTHER RIGHTS ASSOCIATED WITH THE APP

Any of the elements that form part or are included in the App are the property or are under the control of the Vendor or third parties having authorised their use. All of the above shall be hereinafter referred to as the "Property".

Users agree not to remove, delete, alter, manipulate or in any other way amend:

- The notes, legends, signs or symbols that either the Vendor or the legal right holders incorporate into their property with regard to intellectual or industrial property (e.g. copyright, ©, ® and ™, etc.).

- Protection or identification technical devices that the Property may contain (e.g. watermarks, fingerprints, etc.). Users acknowledge that under these Terms and Conditions, the Vendor does not assign or transfer any rights over their Property or over any third-party properties.

The Vendor only authorises users to access and use the Properties in accordance with these Terms and Conditions.

Users are not authorised to copy, distribute (including by email or on the Internet), transmit, communicate, amend, alter, transform, assign, or in any other way engage in activities that entail the commercial use of the Property, whether in whole or in part, without the express written consent of the legal holder of the exploitation rights.

Access to and use of the Property will always and in all cases be for strictly personal and non-commercial purposes.

The Vendor reserves all rights over the Property that it owns including, but not limited to, all intellectual and industrial property rights that it holds over the Property.

The Vendor does not grant users any licences or authorisations to use the Property it owns other than those expressly set forth in this clause. The Vendor reserves the right to terminate or amend at any time and on any grounds any licences granted under these Terms and Conditions.

Notwithstanding the foregoing, the Vendor may take legal action against any other use by users which:

- does not comply with the terms and conditions herein laid down; or
- infringes or breaches the intellectual and industrial property rights or other equivalent rights of the Vendor or of any other third-party legal right holder, or violates any other applicable law.
