5. INFORMATION ABOUT COOKIES

We use cookies in this website, which are small text files with information on your navigation in this site, whose principal objective is to improve your experience in the website. Please, continue reading, to find further information on the cookies that we use, their purpose and other information of interest.

Information about Cookies

What is a Cookie?

A Cookie is a small text file that a website stores on your PC, telephone or any other device, with information about your navigation on that website. Cookies are necessary to facilitate browsing and to make it more user-friendly, and they do not damage your computer.

While this Policy uses the general term "Cookies", as they are the main method for storing information used by this website, the browser's "Local Storage" space is also used for the same purposes as the Cookies. All the information included in this section is also applicable to this "Local Storage".

What are Cookies used for on this website?

Cookies are an essential part of how our website works. The main purpose of our Cookies is to improve your browsing experience. For example, they are used to remember your preferences (language, country, etc.) while browsing and on future visits.

The information collected by the Cookies also enables us to improve the site by estimating numbers and patterns of use, the suitability of the website to the individual interests of the users, quicker searches, etc.

On occasions, if we have obtained your informed consent in advance, we may use Cookies, tags or other similar devices to obtain information that enables us to show you, either from our own website or from third-party websites or any other means, advertising based on the analysis of your browsing habits.

What are Cookies NOT used for on this website?

We do not store sensitive personal information, such as your address, your password, your credit or debit card data, etc., in the Cookies we use.

Who uses the information stored in Cookies?

The information stored in the Cookies from our website is used exclusively by us, except for those identified below as "third-party cookies", which are used and managed by external entities to provide services requested by us to improve our services and the experience of the user when browsing our website. The main services for which these "third-party cookies" are used are to obtain access statistics and to guarantee the payment transactions that are carried out.

How can I avoid using Cookies on this website?

If you prefer to avoid the use of Cookies on this page, taking into account the above-described limitations, first you must disable the use of Cookies in your browser and then delete the Cookies saved in your browser associated with this website.

You may use this option for preventing the use of Cookies at any time.

How do I disable and prevent the use of Cookies?

You may restrict, block or delete the Cookies from this website at any time by changing the configuration of your browser following the steps indicated below. While settings are different in each browser, Cookies are normally configured in the "Preferences" or "Tools" menu. For further details on configuring Cookies in your browser, see the "Help" menu in the browser itself.

Which particular Cookies does this website use and for what purpose?

The chart below shows the Cookies, tags and other similar devices used by this website, together with information on the purpose, duration and management (proprietary and by third parties) of each one of them.
