The Company only authorises users to access and use the Properties in accordance with these Terms.

Users are not authorised to copy, distribute (including by email or on the Internet), transmit, communicate, amend, alter, transform, assign, or in any other way engage in activities that entail the commercial use of the Property, whether in whole or in part, without the express written consent of the legal holder of the exploitation rights.

Access to and use of the Property will always and in all cases be for strictly personal and non-commercial purposes.

The Company reserves all rights over the Property that it owns including, but not limited to, all intellectual and industrial property rights that it holds over the Property.

The Company does not grant users any licences or authorisations to use the Property it owns other than those expressly set forth in this clause. The Company reserves the right to terminate or amend at any time and on any grounds any licences granted under these Terms.

Notwithstanding the foregoing, the Company may take legal action against any other use by users which:

- does not comply with the terms and conditions herein laid down;
- infringes or breaches the intellectual and industrial property rights or other equivalent rights of the Company or of any other third-party legal right holder, or violates any other applicable laws.
