You hereby guarantee that the Personal Data provided is true and exact, and agrees to report any change or modification thereto. If you provide us with the Personal Data of third parties, you shall be responsible for having informed them and obtained their consent for these details to be provided for the purposes indicated in the corresponding sections of this Privacy and Cookies Policy. Any loss or damage caused to the Platform, to Data Controllers or to any third party through the communication of erroneous, inaccurate or incomplete information on the registration forms shall be the sole responsibility of the user.

The Data Controllers, shall use Personal Data for the following purposes:

- 1.1 To manage your registration as a user of the Platform. The Personal Data you provide us with shall be used to identify you as a Platform user, and to give you access to its different functionalities, products and services that are available to you as a registered user.
- 1.2 The development, compliance and undertaking of the purchase contract for the products you have acquired or any other contract with Us through the Platform. In particular, you must bear the following in mind:
 - i. If you choose the option to save your card, you shall expressly authorize us to process the indicated details to be used as necessary for its activation and development. The card's

- security code (CVV or CVC) shall only be used for making the purchase and shall not be subsequently stored or processed as part of the payment details. Consenting to the activation of this functionality means that your data will automatically appear in these fields when making future purchases, so you will not have to enter your details again for each new purchase as they will be considered as valid and in place. You can change or delete your cards at any time through the My Account section. We store and transmit your card details in accordance with the leading international standards of confidentiality and security for credit and debit cards. The use of this function may require you to change your access password for security reasons. Remember that security when using the Platform also depends on the correct use and storage of certain confidential codes.
- ii. In the event that you have purchased a Gift Card, if you provide us with the personal data of third parties, you shall be responsible for having informed them and obtained their consent so that, in compliance with the Platform's Use and Purchase Conditions, we will be able to process their data for purposes of (a) managing the shipping or verifying receipt of the Gift Card, and (b) attending to any requests that you or said third party may make.
 - iii. When ZARA India announces Cash on Delivery System, you are able to choose Cash on Delivery System in accordance with the Terms and Conditions. Therefore, in case it is available and you choose as payment method " Cash on Delivery ", please be informed that in case of return of items purchased, it would be necessary for you to provide certain additional data if you opt for reimbursement through bank transfer, that would be processed solely for the purpose of reimbursing the price, as your bank account details and such bank account information – in case necessary - could be disclosed to third parties working for cross boarder bank transfer including but not limited to the transfer banks.
 - iv. Activate the mechanisms necessary to prevent and detect unauthorised uses of the Platform (for example, during the purchase and returns process as well as potential fraud being committed against you and/or against us. If we consider that the transaction may be fraudulent or we detect abnormal behaviour which indicates attempted fraudulent use of our features, products or services, this processing may result in consequences such as the blocking of the transaction or the deletion of your user account.
 - v. For invoicing purposes and to make available to you the tickets and invoices of the purchases you have made through the Platform or in any of our brick-and-mortar stores of ZARA.

1.3 Contact you by email, telephone calls, SMS, or other equivalent forms of electronic communication, such as the App's push notifications etc., regarding updates or informative communications related to the functionalities, products or contracted services, including Platform security updates, when necessary or reasonable for their implementation.

1.4 Attend and manage your requests made using the available customer service channels in relation to the Platform or the Physical Stores, as well as monitoring the quality of our service.

1.5 Personalise the services we offer you and enable us to give you recommendations based on your interactions with ZARA on the Platform and an analysis of your user profile (for example, based on your purchase and browsing history). Likewise, show you ads on the Internet which you may see when visiting websites and apps, for example, on social media. The ads you see may be random, but on other occasions they may be ads related to your preferences or purchase and browsing history.

- i. If you use social media, we may provide the companies with which we collaborate certain information so that they can show you ZARA ads and, in general, offer you and users like you advertisements which take into account your profile on said social media sites. If you want information about the use of your data and how advertising works on social media, we recommend you review the privacy policies of the social media sites on which you have profiles.
- ii. We also use your data to carry out measurement and segment analyses on the ads which we show users on some of our collaborators' platforms. To do this we collaborate with these third parties who offer us the necessary technology (for example, cookies, pixels, SDK) to use these services. Keep in mind that, although we do not provide identifying personal data to these collaborators, we do give them some form of identifier each time (for example, the advertising ID associated with the device, an identifier associated with a cookie, etc.) If you would like more information in this respect, please review our Cookies Policy. Likewise, you can reset your advertising ID or disable personalised ads on your device (if you have our App installed on an iOS device you can adjust your preferences in Settings/Privacy/Ads. If your device is Android, access Settings/Google/Ads).

1.6 Data enrichment: When we gather your personal data from a variety of sources, we may consolidate them under certain circumstances for the purpose of improving our understanding of your needs and preferences related to our products and services (including for the purposes of analyses, generating user profiles, marketing studies, quality surveys and improving our interactions with our customers). This refers, for example, to the way we may combine your information if you have a registered account and, using the same email linked to your account, you make a purchase as a guest, or to information which is automatically compiled (such as IP and MAC addresses or metadata) which we may link with the information you have provided us directly through your activity on the Platform or in any of our stores (for example, information related to your purchases, whether in brick and mortar stores or online, your preferences, etc.).

2. NEWSLETTER SUBSCRIPTION

If you authorize your subscription to the ZARA Newsletter, We will provide you with information regarding our products and services, through different means as, among others, by email, any other equivalent electronic means of communication (such as SMS, etc.) as well as through push notifications via the App – in case you have activated such notifications in your mobile device.

Subscription to the ZARA Newsletter may entail using Personal Data to make personalized advertising related to our products and services available to you via email, SMS or any other of our own electronic media or those of third parties. We can also provide you with this information through push notifications from the App in case you have activated them in your mobile device. With the aim of improving the service we provide you with, we hereby inform you that Personal Data related to your purchases at online or physical stores, tastes and preferences, may be used for the purpose of analysis, generating user profiles, marketing studies, quality surveys and improving our client interaction.

If you are a registered user, you can change your preferences related to the sending of these commercial communications through the My Account section.

You can also unsubscribe through the Platform's Newsletter section at any time, or by following the information we provide in each communication.

3. DATA PROTECTION RIGHTS

The Data Controllers undertake to respect the confidentiality of your Personal Data and to guarantee you can exercise your rights. You may exercise your rights of access, rectification, cancellation and opposition by sending an email to: dataprotection@zara.com, indicating the reason for your request.

If you decide to exercise these rights, and if part of the personal data you provided was your email address, we would ask you to please specify this circumstance in your written request, indicating the email address from which you wish to exercise your right rights of access, rectification, cancellation and opposition. For example, should you not wish us to send information to third parties to show you ads, you can change your preferences on your mobile device by resetting your advertising ID or disabling personalised ads on your device. If you have our App installed on an iOS device you can adjust your preferences in Settings/Privacy/Ads. If your device is Android, access Settings/Google/Ads. If you are visiting the website, you can change the cookie settings in your browser.

4. OTHER NECESSARY USES OF YOUR PERSONAL DATA

To fulfil the purposes indicated in this Privacy Policy, it is necessary that Inditex Group holding company [Industria de Diseño Textil, S.A. (Inditex, S.A)] as well as other companies belonging to the Inditex Group, processes your Personal Data insofar as they are directly involved with each purpose (whose activities relate to the decoration, textile, clothing and home goods sectors, as well as any other complementary sectors, including cosmetics and leather goods, in addition to the development and support for electronic commerce activities).

It may also be necessary to transfer your Personal Data to the mentioned companies belonging to the Inditex Group or to third parties who provide us with support services, such as financial bodies, entities that fight against fraud, providers of technological, analytical, logistical, transport and delivery services (and/or their partner establishments), service providers and collaborators related to marketing and publicity, such as social media sites, advertising agencies or advertising partners, customer services and/or services that analyse the transactions made on the Platform with the aim of offering users sufficient

guarantees in commercial operations, etc. By providing us with your Personal Data on this Platform, you are authorizing us to process and share your information with said collaborators. Your authorisation includes those cases where, for purposes of service efficiency, the providers may be located in the European Union or in the United States of America or other countries or territories situated outside of the European Economic Area. Such providers will provide the same level of security measures for data protection as provided under applicable Indian laws.

We may disclose your Personal Data to the Government agencies if required, even without obtaining your prior consent, for the purposes of verification of identity or for prevention, detection, investigation including cyber incidents, prosecution and punishment of offences or for other purposes required under applicable law.

5. SECURITY PRACTICES

ZARA India adopts reasonable security practices and procedures as mandated under applicable Indian laws and the companies belonging to Inditex Group adopt similar security practices and procedures for the protection of Personal Data and to prevent unauthorised use or disclosure of Personal Data.

6. INFORMATION ON COOKIES

We use cookies in this Platform, which are small text files with information on your navigation in this Platform, whose principal objective is to improve your experience in the Platform. Please, continue reading, to find further information on the cookies that we use, their purpose and other information of interest.

Information about Cookies

What is a Cookie?

A Cookie is a small text file that a website stores on your PC, telephone or any other device, with information about your navigation on that website. Cookies are necessary to facilitate browsing and to make it more user-friendly, and they do not damage your computer.

While this Policy uses the general term "Cookies", as they are the main method for storing information used by this website, the browser's "Local Storage" space is also used for the same purposes as the Cookies. All the information included in this section is also applicable to this "Local Storage".

What are Cookies used for on this website?

Cookies are an essential part of how our website works. The main purpose of our Cookies is to improve your browsing experience. For example, they are used to remember your preferences (language, country, etc.) while browsing and on future visits.

The information collected by the Cookies also enables us to improve the site by estimating numbers and patterns of use, the suitability of the website to the individual interests of the users, quicker searches, etc.

On occasions, if we have obtained your informed consent in advance, we may use Cookies, tags or other similar devices to obtain information that enables us to show you, either from our own website or from third-party websites or any other means, advertising based on the analysis of your browsing habits.

What are Cookies NOT used for on this website?

We do not store sensitive personal information, such as your address, your password, your credit or debit card data, etc., in the Cookies we use.

Who uses the information stored in Cookies?

The information stored in the Cookies from our website is used exclusively by us, except for those identified below as "third-party cookies", which are used and managed by external entities to provide services requested by us to improve our services and the experience of the user when browsing our website. The main services for which these "third-party cookies" are used are to obtain access statistics and to guarantee the payment transactions that are carried out.

How can I avoid using Cookies on this website?

If you prefer to avoid the use of Cookies on this page, taking into account the above-described limitations, first you must disable the use of Cookies in your browser and then delete the Cookies saved in your browser associated with this website.

You may use this option for preventing the use of Cookies at any time.

How do I disable and prevent the use of Cookies?

You may restrict, block or delete the Cookies from this website at any time by changing the configuration of your browser following the steps indicated below. While settings are different in each browser, Cookies are normally configured in the "Preferences" or "Tools" menu. For further details on configuring Cookies in your browser, see the "Help" menu in the browser itself.

Which particular Cookies does this website use and for what purpose?

The chart below shows the Cookies, tags and other similar devices used by this website, together with information on the purpose, duration and management (proprietary and by third parties) of each one of them.
