14. RETURN POLICY

14.1 Right to withdrawal

Pursuant to the provisions in Article 47 of the Consumer Statute, the right to withdrawal is understood to exist. The right to withdrawal grants the consumer the option to terminate the contract within a maximum of three (3) business days counted from the date of delivery of the order and the consumer must return the product in the same means and conditions in which it was received. Transport and other costs involved in the return of the merchandise shall be covered by the business. Once the product has been returned, in the same conditions in which it was delivered, the money shall be refunded within the following thirty (30) calendar days.

Excluded from the right to withdrawal are goods that have been made according to the consumer's specifications, customized goods and goods for personal use (such as undergarments, swimwear, etc.).

The consumer must return the good, unused, with all the interior and exterior tags and in the packaging in which it was received. **Goods that do not meet these conditions shall not be accepted for return.**

To exercise the right of withdrawal, you must notify us at ZARA by writing to us through the chat function available on the website, or to our official social media accounts, of your decision to withdraw from the contract by means of a clear statement. You may use the cancellation form template that is included as an Appendix to these Terms, though its use is not mandatory. To comply with the withdrawal period, you need only ensure that the communication related to said exercise of this right be sent prior to expiration of the corresponding period.

14.2 Consequences of exercising the right to withdrawal

If you decide to exercise the right to withdrawal, we will refund all the payments received from you, including the delivery costs (with the exception of additional costs due to your choice of a delivery method other than the least expensive ordinary delivery method we offer) without any undue delay and, in any event, no later than 30 calendar days from the date on which you notify us of your decision to exercise your right to withdrawal. We will proceed to issue said refund using the same payment method used by you for the initial transaction unless this is not possible, in which case, we will issue the refund through the option chosen by the consumer from the options we offer. The refund will not incur any cost to you. Notwithstanding the above, we may withhold the refund until we have received the goods, or until you have presented proof of their return, whichever condition is met first.

You must return to us or directly deliver the products to us at any of the ZARA stores in Panama, or request a return by courier through our website, organized by us and at no additional cost, without undue delay and, in any case, within a maximum of 14 calendar days from the date on which you communicate to us your decision to exercise the right to withdrawal. The period shall be deemed to have been met if the goods are returned before said period comes to an end.

You shall be solely responsible for any decrease in the value of the goods resulting from

handling other than that required to establish the nature, characteristics, and function of the goods.

In those cases in which more than one good has been acquired in a single purchase, and the right to withdrawal is not applied to all of the goods, the refund will be issued for the price of the purchase paid for the returned goods, using the same payment method used for the purchase.

14.3 Contractual Right to Cancel

In addition to the recognized statutory right to withdrawal of consumers and users referred to in clause 14.1 above, we grant you a period of 30 days from the shipment of the product to proceed with the return of the products (except for those referred to in this clause, with regards to which the right to withdrawal is excluded), provided that the products have not been used and still have their interior and exterior tags.

If the contractual right to cancel is exercised from 15 days following the Shipping Confirmation, the return shall be issued via an online voucher card or a refund using the same payment method.

14.4 Exchange Policy

In cases in which you consider that the size or color of the product acquired through www.zara.com does not meet your needs, without prejudice to the right to cancel or withdrawal that is your legal and contractual right, you may request a color or size exchange from any of the Zara Panama stores within a period of 30 days from the Shipping Confirmation, provided that the item is of the same price.

RETAIL MODA S.A. will accept the exchange of items purchased through www.zara.com, in which case you must present, together with the item you wish to exchange, the electronic receipt you received attached to the Shipping Confirmation, which is also saved in your account on the website and in ZARA cellphone application; you must present this by digitally presenting on your cellphone screen or by bringing in a printed copy.

Bear in mind that this new item shall not be governed by the provisions of these Terms and Conditions for Use and Purchase, rather the applicable terms shall be those stated on the back of the receipt delivered to you, including those relating to the exercise of the right to cancel or withdrawal.

Without prejudice to the foregoing, if you prefer to exchange it for a different item, you must request a return by following the established procedure for said purpose and make a new purchase.

14.5 Common Provisions to the Right to Withdrawal and the Right to Cancel

You shall not have the right to cancel or withdraw from the contract whose subject matter is the supply of any of the following products:

- Items personalized at the customer's request.
- Products sealed for health or hygiene reasons that have been unsealed after delivery.

- Goods that have been used by the consumer or that no longer have their interior tags.

The right to withdrawal and the contractual right to cancel a contract shall only apply to those products which are returned in the same condition as when you received them. No refund will be made if the product has been used beyond opening, for products that are not in the same condition as when they were delivered, or that have been damaged in any way. Therefore, you should take reasonable care of the product(s) while they are in your possession. Please return the product preferably using or including all its original packaging, instructions, and other documents that may have come with it.

You may make returns at any ZARA store in Panama or through a messenger/Courier that we send to your home.

Returns at a ZARA store:

You may return the products to us at the following ZARA stores in Panama; you must go to any of said stores and present the item and the electronic receipt you received attached to the Shipping Confirmation, which is also saved in your account on the website and in the ZARA cellphone application. You may present the electronic ticket by displaying it electronically on the screen of your smart phone or by bringing a printed paper copy to the store.

Returns by messenger/Courier:

You must contact us through our return request so we can arrange for collection of the product from your address. You must preferably deliver the merchandise in the same package you received it in by following the instructions found in the "RETURNS" section of this website. However, if you no longer have the original packaging, you can return your order in any other packaging provided that it is properly sealed to prevent the items from getting lost.

Please bear in mind that if you decide to return the items to us via unauthorized means, we shall be authorized to charge you for any expenses that we may incur.

After examining the item, we will inform you if you have the right to a refund for the amount paid. Refund for the transport costs will only be made when the right to withdrawal is exercised within the statutory period (5 days after delivery of the product) and all the items are returned that comprise the order in question; if partial returns are made for some items from a single order, the transport costs will be refunded. The refund will be made as soon as possible and, in any case, within a period of 30 calendar days from the date on which you informed us of your intent to cancel. Nevertheless, we may withhold the refund until we have received the goods, or until you have presented proof of return of the goods, whichever condition is met first. The refund will be made using the same payment method you used to pay for the purchase only when the right to withdrawal is exercised within the statutory period (5 days after delivery of the product). If the contractual right to cancel is exercised from 15 days following the Shipping Confirmation, the return shall be issued via an online voucher card or via bank transfer, depending on your choice. Money refunds will not be sent to foreign bank accounts. If a request is made to issue the return refund to accounts outside the Republic of Panama, you agree to bear the costs and expense involved in sending the money to said account. Payment with international credit cards may lead to inconveniences when processing a return. Regarding the foregoing, by paying with a

foreign-issued credit card, you agree to bear the costs involved in refunding money to your account.

In the event that there is a second withdrawal regarding the same invoice, we offer the following options for refund of the purchase price: virtual voucher card or bank transfer. Returns are not processed to bank accounts outside or foreign to the Republic of Panama. All returns that must be made to bank accounts shall be processed through accounts from the Republic of Panama that have been opened by the customer at financial entities monitored by the Financial Superintendence.

You shall bear the cost and risk of returning the products to us, as stated above. If you have any questions, you can contact us via the chat function available on our website or through our official social media accounts.

14.6 Returns of Defective Products

In cases where you consider that, at the time of delivery, the product does not conform to that stated in the contract, you must promptly contact us through our contact channels, providing the details of the product as well as the damage it has undergone.

You may return the product to any of the ZARA stores in Panama, or hand it over to a courier that we will send to your home when you request collection.

We will carefully examine the returned product and inform you via email within a reasonable period of time of your right to a refund or a replacement (if any). The item refund or replacement shall take place as soon as possible and, in any case, within 30 days following the date on which we send you an email confirming the refund or replacement of the non-compliant item.

The sums paid for those products that are returned due to a fault or defect, when this actually exists, will be refunded in full, including the delivery costs incurred by the courier service authorized by the business. The return will be made using the same payment method used to pay for the purchase (unless this is not possible, in which case the consumer will be immediately notified of such situation and informed of the available options for the refund of the return amount).

In any case, the rights recognized by current legislation remain unaffected.

15. CONTRACTUAL GUARANTEES

If you are contracting as a consumer and user, we offer you statutory guarantees on the items we sell through the website, in the legally established terms for each type of product, responding, therefore, to quality defects appearing in said products. The warranty term is: three (3) months for footwear and six (6) months for other products starting from the delivery of the product.

It is understood that the items conform to the contract when (i) they adhere to our description and possess the qualities presented on this website, (ii) they are suitable for the uses that are ordinarily meant for products of the same type, and (iii) they present the quality and normal features of a product of the same type that may be reasonably expected. In this sense, if any of the items do not conform to the contract, you must let us know by following the procedure detailed in section 14 above and through any of the communication

methods provided for this reason.

The items we sell, especially artisanal items, often may feature characteristics of the natural materials used in their manufacture. These characteristics, such as variation in the grain, texture, knots and color, will not be considered to be defects or blemishes. On the contrary, their appearance should be noted and appreciated. We only select items of the highest quality, but natural features are inevitable and should be accepted as part of the individual appearance of the item.

16. LIABILITY AND DISCLAIMER

Unless otherwise expressly stated in these Terms, our liability in connection to any product purchased through our website shall be strictly limited to the purchase of that product.

Nevertheless, unless otherwise provided for by law, we will not accept liability for the following losses, regardless of their origin:

- (i) loss of income or sales;
- (ii) loss of business;
- (iii) loss of profits or loss of contracts;
- (iv) loss of expected savings;
- (v) loss of data; and
- (vi) waste of management time or office time.

Due to the open nature of this website and the potential for errors in the storage and transmission of digital information, we do not guarantee the accuracy and security of information transferred or obtained by means of this website unless otherwise expressly stated on the website.

17. INTELLECTUAL AND INDUSTRIAL PROPERTY

You acknowledge and agree that all copyrights, registered trademarks, and all other industrial and intellectual property rights for the materials or content that are supplied as part of the website correspond at all times to us or to those from whom we obtained license for their use. You may make use of said material only in the form in which we, or those from whom we obtained license for their use, expressly authorize. This will not prevent you from using this website as needed to copy information about your order or Contact information.

18. VIRUSES, PIRACY AND OTHER CYBERATTACKS

You shall not misuse this website by knowingly introducing any viruses, Trojans, worms, logic bombs, or any other program or material that is technologically harmful or damaging. this clause, authorization to use this website shall be immediately revoked.

We shall not be liable for any harm or loss resulting from a denial-of-service attack, viruses or any other program or material that is technologically harmful or damaging that may affect your computer, computing equipment, information, or material as a consequence of the use of this website or the download of contents from it or from those websites to which you may be redirected.

19. LINKS FROM OUR WEBSITE

Should our website contain links to other third party web pages and materials, said links are provided solely for informational purposes, and we do not have any control whatsoever over the content of those web pages or materials. Therefore, we accept no liability for any loss or damage derived from their use.

20. WRITTEN COMMUNICATIONS

Applicable law requires that part of the information or communications that we may send to you be in writing. By using this website, you accept that the majority of said communication with us shall be electronic. We will contact you via email or we will provide you with information by posting notices on this website. For contractual purposes, you consent to use this electronic means of communication and acknowledge that all contracts, notification, information, and other communication that we may send to you electronically fulfill the statutory requirement of being in writing. This condition shall not affect your statutory rights.

21. NOTIFICATIONS

In order to prove that the notice has been sent, it shall be sufficient to prove that the email was sent to the email address specified by the recipient.

22. ASSIGNMENT OF RIGHTS AND OBLIGATIONS

This contract is binding as much to you as to us, as well as to our respective successors and assignees. You may not transmit, assign, charge or in any other way transfer a contract or some of the rights or obligations arising therein, without obtaining our prior written consent.

We may transmit, assign, charge, or in any other way transfer a contract or some of the rights or obligations arising therein, at any time it is in effect. To avoid any doubt, said transmissions, assignments, charges or other transfers shall not affect your statutory rights as a consumer nor shall they cancel, reduce or limit in any other manner the guarantees, express or implied, that we may be able to grant.

23. EVENTS OUTSIDE OUR CONTROL

We shall not be liable for any breach or delay in performance of any of the assumed

obligations when they are due to events that are out of our reasonable control due to force majeure, fortuitous events, or acts attributable to third parties (“Force Majeure Cause”).

Causes of Force Majeure include any act, event, non-happening, omission or accident beyond our reasonable control and, among others, the following:

- e. Impossibility of the use of public or private telecommunications systems.
- f. Acts, decrees, legislation, laws or restrictions of any government or authority.

It is understood that obligations shall be suspended during the time the Cause of Force Majeure continues, and we shall provide an extension to the term to complete said obligations for a period of time equal to the duration of the Cause of Force Majeure. We shall take all reasonable measures so that the Cause of Force Majeure ends or to find a solution that allows us to fulfill our obligations despite the Cause of Force Majeure.

24. WAIVER

If we fail to insist upon strict performance of any of your obligations under this contract or any of these Terms, or if we fail to exercise any of the rights or remedies to which we are entitled under the contract or these terms, this shall not constitute a waiver or limitation with regard to said rights or remedies nor shall it exonerate you from compliance with said obligations.

No waiver by us of a right or concrete action shall represent a waiver of other rights or actions arising from a contract or these Terms. No waiver by us of any of these Terms or the rights or actions arising from a contract shall take effect, unless it is expressly established that it is a waiver and is formalized and communicated to you in writing according to that set forth in the previous Notifications section.

These Terms and entire document to which express reference is made herein constitute the current complete agreement between you and us as related to the subjects herein and supersede any other pact, agreement or promise previously made between you and us, verbal or written.

Both parties acknowledge having agreed to formalize a contract without relying on any

declaration or promise made by the other party or that could be implied from anything said or written in the negotiations established between both parties, except for that which is expressly stated in these Terms.

Neither you nor we shall have any remedy in the face of any untrue statement made by the other, whether verbally or in writing, prior to the date of a contract (unless said untrue statement was made fraudulently) and the only remedy that shall be available to the other party shall be for breach of contract according to the provisions set out in these Terms.
